Tears of a clown

Author's Notes:
Virtual hugs to BneJovi for her help and motivation!

If you don't know Steel Panther: Travis is Lexxi's real name.

"Ready?"

Satchel's head appeared in the mirror and Lexxi instantly looked down and acted as if he was looking for something in his bag.

"Two minutes, okay?"

"Okay, man. we'll meet you at the stage door."

The door closed and Travis looked into the mirror again at his ruined make-up. The eyeliner and mascara were smeared over his cheeks by his tears. His eyes were rimmed red and hollow.

He pulled out a tissue, removed the mess and fixed it all again, until Lexxi was back.

Perfect. Beautiful. Hilarious.

The clown people would laugh about again tonight at the show.
